PROTECTIVE TRADE GROUP

Introducing Protective Trade Group, an Australian-owned company dedicated to providing exceptional service and swift delivery. Our extensive catalogue features a wide selection of high-quality products sourced both locally and internationally, allowing us to offer the best solutions at competitive prices.

At Protective Trade Group, we specialise in offering a comprehensive range of temporary surface protection products tailored to meet the needs of the building and construction industry. Our expertise lies in self-adhesive plastic films designed for various surfaces such as carpets, hard floors, stone, windows, glass, aluminium, and steel. Additionally, we supply premium builders plastic film, Corriboard floor protection, dust containment systems, personal protective equipment, adhesive tapes, workwear, work boots, and installation tools.

Our focus on surface protection extends to safeguarding your job site from potential hazards. We provide an extensive selection of site safety products and Personal Protective Equipment (PPE). Our inventory includes top-notch respiratory equipment from renowned brands like 3M, STS, Prochoice, and Maxisafe, offering a range of Half Face, Full Face, PARP Air Feed Systems, and more. We also stock head protection gear such as Hard Hats with branding options, along with a wide variety of eye protection (goggles and glasses), ear protection (muffs and disposable plugs), gloves, riggers, boots (including steel toe and gumboots), height safety harnesses, and more.

In addition to our surface protection and safety offerings, we cater to your workwear needs. Whether you require trade workwear or company uniforms, we have you covered. Our collection ranges from high-visibility attire suitable for job sites to office apparel, including T-shirts, polos, jumpers, jackets, pants, shorts, and more. We even provide in-house services such as embroidery, heat transfer vinyl (HTV), and sublimation printing for customising garments with your company logo.

At Protective Trade Group, we take pride in delivering top-notch products, exceptional service, and fast delivery. Our commitment to meeting the diverse needs of our customers sets us apart. Join us in safeguarding surfaces, ensuring site safety, and providing professional workwear solutions for your business.

SELF ADHESIVE FILMS

Stick n Protect

Anodised Aluminium Protection Film

Introducing our Aluminium Protective Adhesive Film Roll, designed specifically to safeguard anodised aluminium surfaces, this black polyethylene film offers superior protection. Its advanced adhesive formulation ensures a strong bond that leaves no residue upon removal.

With exceptional UV resistance, this PE film effectively shields both steel and aluminium surfaces throughout various stages such as manufacturing, transport, installation, and construction. Say goodbye to corrosion worries as this film acts as a reliable barrier, providing reliable corrosion protection for your valuable metals.

Auto Vehicle Wrap Adhesive Film

A White Self Adhesive film for Auto Car Body Painted Surface, 90um thick film to protect against scratches and marks during transport or fitting of after market extras.

Key Features

- 90 microns thick
- UV stable for 6 months
- Use on powder coating, 2 Pac car paint & single pac automotive acrylic lacquer

SIZE: 310mm x 100m $46
620mm x 100m $96
1240mm x 100m $168

Bench Top Protective Film with Warning Notice

A self adhering bench top protection film with a printed warning message to warn that this surface is not to be used as a workbench.

Key Features

- Adheres to granite, marble,tile and other bench top surfaces
- avoid costly damage with the warning message
- 55 microns thick industrial adhesive clean removal film

SIZE: 620mm x 200M $ 130

TAPES & MASKING

TAPES & MASKING

Filament & Strapping Joint Tape

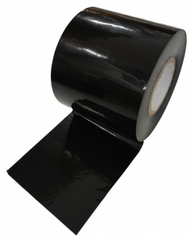
A High bond and adhesive strength strapping joint tape, great for joining things like sheets of corflute, PAD-iT, polywoven, and Builders Films
Made with a high strength cross weave filament, with 50um thick tape making it strong and with excellent tencile strength. Recommended on non critical surfaces, where glue transfer is not a concern.

Key Features

- High adhesion
- Excellent tensile strength
- Great bonding qualities
- Comes in many sizes- see website for me options!

SIZE: 48mm x 45M $10.22

Frame Tape Powder Coat & Anodized Aluminium



Introducing our premium Anodized Aluminum Frame Tape with PE Surface Protection. This high-quality tape provides clean removal and leaves no residue behind. It's specifically designed to protect metal thresholds, aluminum doors, window frames, and various painted surfaces during installation and construction projects. With a durable PE construction measuring 115 microns thick and a generous length of 66 meters, this tape offers excellent surface protection you can rely on.

Key Features

- Safe on Anodised surfaces
- no residue tape
- 115um thick PE tape for great protection

SIZE:48mm x 45m $7.55
check online for more sizes

iQuip iGecko Washi Painters Tape

iGecko Painters Tape - the best choice for painting! Made from Japanese washi rice paper, it's ultra-thin, lightweight, and transparent, reducing paint build-up. Its razor-sharp, zero paint bleed design offers a flawless finish. UV-stabilised and waterproof, it's ideal for indoor, outdoor, 2 pack, marine, and auto applications. With easy residue-free removal up to 180+ days, it's perfect for double masking.

Key Features

- Clean removal tape, no residue 180+ days
- Waterproof
- 100 deg Resistant
- Razor sharp lines & zero paint bleed
- suited for 2 pack, marine and auto
- Comes in many sizes- see website for me options!

SIZE: 48mm x 50m $13.28

3M EARMUFFS

Peltor™ Premium Earmuff X4 Series

New technologies in comfort, design and protection all come together in this groundbreaking earmuff line. The X4A utilises a newly designed spacer, specially formulated foam liners and innovative ear cushions to help improve attenuation. This lightweight, lower-profile earmuff helps with compatibility with other personal protective equipment and is designed for protection against moderate-to-high level industrial noise and other loud sounds. It features an electrically insulated wire headband, often referred to as “dielectric”.

- Electrically Insulated (Dielectric)
- Liquid/Foam filled Cushions
- SLC_{80} 31dB (Class 5)

Item: Over the Head SLC_{80} 31dB (Class 5) Code: X4A Price: $49.55
Item: Hard Hat Attach SLC_{80} 27dB (Class 5) Code: X4P3E Price: $49.55
Item: X4 Hygiene Kit Code: HYX4 Price: $poa

Peltor™ Premium Earmuff X5 Series

The X5A earmuffs offer 3M’s highest SLC (35 dB) which makes them ideal for very high noise situations. The high attenuation delivered by X5A earmuffs is possible as a result of a combination of advanced technologies including: newly designed spacers, specially formulated earcup liners and innovative foam contained in the cushions. It also features an electrically insulated wire headband, often referred to as “dielectric”.

- Electrically Insulated (Dielectric)
- Liquid/Foam filled Cushions
- SLC_{80} 35dB (Class 5)

Item: Over the Head SLC_{80} 35dB (Class 5) Code: X5A Price: $66.00

3M™ Peltor™ ProTac™ III Headset

The 3M™ PELTOR™ ProTac™ III hearing protector helps safeguard against harmful noise, whilst allowing ambient sounds to be heard at a level below 82dB. This attribute increases your situation awareness and ability to communicate with nearby colleagues, as well as hearing warning signals, approaching vehicles or sounds produced by machines and industrial processes

- 3.5 mm listen-only stereo input (limited to 82 dB) for connection to external devices (e.g. mobile phone, radio, two-way radio and iPod)
- Built-in level-dependent function allows the wearer to hear ambient sounds, such as conversations, machine sounds and warning signals
- Voice-guided menu system avoids the need to remove the headset for setting changes
- Auto power off turns headset off after 4 hours of non-use, to save energy and a low-battery warning informs you when to change batteries

Item: Headset Black headband SLC_{80} 30dB (Class 5) Code: MT13H221A Price: $134.40

CleanAIR UniMask And AerGO PAPR

The highest level of breathing protection with enhanced inner airflow regulation and a visor with excellent optical and mechanical features make this universal light face shield a true leader of its class. UniMask is light (just 380 g) and offers excellent user comfort - the inner airflow regulation allows the user to set direction and intensity of the air to be delivered to the face or directly into the breathing zone. The users can opt for a soft textile or a neoprene face seal according to their preferences. The visor provides a clear and undisturbed view of the highest quality (class 1 according to EN 166), high mechanical resistance and anti-fog coating. UniMask is easy to use and all spare parts are quickly and easily removable which enables fast and simple maintenance

Applications: Building Industry,Automotive industry,Heavy Industry,Shipbuilding Refineries,Construction

FULL FACE MASKS

3M Full Face Respirator The Protector RFF1000 Vision

The Protector RFF1000 Vision provides a high level of respiratory protection. A comfortable liquid silicone rubber (LSR) achieving a efficient and comfortable fit. The LSR is hypo-allergenic and more durable. The RFF1000 offers unrestricted field of vision and is optically sound to prevent any visual distortion.
Moulded in polycarbonate the hard coating offers excellent scratch resistance for a long service life. Suitable for a variety of applications such as construction, demolition, defence, heavy and light industrial. Certified to AS/NZS 1716:2012

- Face seal design provides large contact area for efficient fit
- The visor curves through both the vertical and horizontal planes and remains optically perfect to prevent any visual distortion
- Filters sit low and close to the face, providing excellent balance and weight distribution
- Uses the Pro2000 range of filters

Size Options: small/medium & medium/large

EXTENDER WALL

DUST CONTAINMENT SYSTEM

EXTENDER WALL

ZIP SEAL DOORWAY

A portable dust containment system, keeps out dust, dirt and debris from sensitive areas while renovating, construction, refurbs and shop fitouts.

The adjustable height extension poles prop up to a maximum of 3.65m high with a protective plastic sheeting to form a temporary containment wall protecting the outside area from damage while containing the dust and debris in your workzone.

Great for work environments where your client has sensitive areas in need of protecting from dust,paint,grinding, sanding, demolition etc.

EXTENDER WALL 8 POLE KIT

The 8 adjustable extension poles prop up protective plastic sheeting to create a temporary dust containment room.

Kit Contains

- 8 x Extender Wall Spring Loaded Pole (each pole extends to 3.9M) * resting height 1.5m
- 4 x Extender Wall Top Seal Rails
- 2 x Red Adhesive Zipper Door (1.1M wide, 2.1M tall)
- 1 x 48mm 14 Day Masking Tape Clean Removal
- 1 x 48mm Filament Plastic Joint Tape (NOT CLEAN REMOVAL)
- 16 x pole sheet clips
- 1 x Extender Wall Kit Bag

code: EX-8KIT $494

Extra Tall 6m Extender Wall 8 Pole Kit

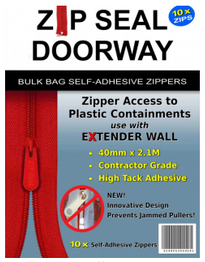
These poles extend from 1.5m up to 6m tall, great for jobs that require extra tall extension poles for high ceilings and working areas. Great for work environments where your client has sensitive areas needing protection from dust, paint, grinding, sanding, demolition etc.

Contains

- 8 x Extender Wall Spring Loaded Pole - Extra Tall (each pole extends from 1.5M to 6M)
- 2 x Red Adhesive Zipper Door (1.1M wide, 2.1M tall)
- 8 x Extender Wall top and bottom plates
- 4 x Tight seal top rails
- 1 x 30 Day UV Clean Removal Painters Masking Tape
- 1 x Filament Joint Tape (NOT CLEAN REMOVAL)
- 16 x Pole plastic sheet clips
- 1 x Extender Wall carry bag
- 1 x Extender Wall Kit Bag

code:XTRA-8KIT $729

Extender Wall Self Adhesive Zipper Door 45mm Pack Of 10



The Self Adhesive Zipper Door allows you to quickly create a doorway in plastic dust barriers, providing easy entry and exit. Simply remove the paper backing and stick the zipper to the plastic barrier. Then open the zipper and cut the plastic to make a door.
Vertical Zipper, zipper size (45mm x 2.13M)

Key Features

- quick n easy way to create any doorway entry
- opens / closes for easy access
- excellent dust containment

code: EX-ZIPDR210 $78
